Dear Mr/ Mrs/ Dr. (To Whom It May Concern)

APPLICATION OF THE POST OF FRONT-END DEVELOPER AS INTERNSHIP

I am writing to inform you of interest for job of front-end developer as you posted at wobb.co or startupjobs.asia . I would appreciate your precious time in evaluating my qualification the related to the job that you are offering.

I am a final year student who taking Bachelor of Computer Science, majoring in Artificial Intelligence at University Teknikal Malaysia Melaka (UTeM). Expecting to graduate in September 2017. During my academic year, I am not only focusing on what has taught in class. During the free time, I also explore my interest in designing and developing the website with programming language HTML, CSS and JavaScript.

I am effective and willing to push myself up to lean new things. I believe that I would give the benefits to your company using my skill and knwoledge. Don't hesitate to email me (jjajing19932@gmail.com) if you find interested on me. Hopefully to get a positive message fro you. Thank You

Sincerely,

(LOH JIA JING)
